Our family ran away because we had a lot of debt
Oji-chan can't even stay in the hospital
THIS IS ALL BECAUSE OF THAT GIRL WHO BUTTED INTO THEIR FUTURE! IT'S HER FAULT THAT OUR COMPANY ENDED UP GOING BANKRUPT!

SERIOUSLY!?
Our meal fee has not yet been paid for the last five months
Koto... We will have no food after the next month
IT'S TOO HEAVY ...

Where should we go during our free time?
I can't do anything...

My luggage won't hold everything!!
Just simply
let time pass...

While watching silently.

Misty Rain Scans is the group that brought me in to the world of scanlation. In the past year I've learned so much and met so many great people. Thank you to all of the staff, past and present, for making Misty Rain Scans what it is today! Happy anniversary, everyone!
-Patti

Happy anniversary, MRS! Here's power to the group!!!
-LucheseOfFantasy

For the past few months from the first day to today, Misty Rain Scans is a very fun and enjoyable group to volunteer at. Although it's always noisy and rowdy in the forum (the forum is not noisy or rowdy... it just sounded nice to say it like that), the staffs there are always bright and caring. I am very glad MRS made it through it's first year. Thank MRS for existing and the Admins for keeping it organized and running or I would have never gone into the typesetting and proof-reading business. I also thank the staffs for helping release my favorite manhwa, manga, and manhua series. It was very fun working and talking with all of the staffs. I hope that everyone will keep supporting the staffs and Admins and Misty Rain Scans itself as we progress through each year. Last but not least, HAPPY 1ST ANNIVERSARY!
Best Wishes,
Jamz!

Happy 1st Anniv, MRS!!
For a scanlation with one year old- MRS surely has released so many chapters that I feel so thankful for their hard work! Anyway~ I wish for a happy life and more releases in the future!
Best luck, guys!
-Ivy-Story

Life's been a wonderful year, working with MRS. Thanks Evergone!
